

## FREE PBS Learning Media Workshop

Start the school year with new tools to enhance your classroom

**Thursday, October 4** from 4:30 – 6:30 pm (check-in and refreshments begin at 4 pm)  
Champions For Learning computer lab, 3606 Enterprise Ave., Naples, Florida 34104

WGCU Public Media is offering this special opportunity to learn more about PBS Learning Media and how it can fit in your classroom. Sign up today to learn about thousands of digital resources you and your students can access FREE. See how the site's productivity tools – Lesson Builder, Storyboard Creator, Puzzle Builder, Quiz Maker – can enhance your lesson plans. PBS Learning Media enables teachers and students to become digital storytellers through access to high-quality video, audio, interactives and images.

*PBS Learning Media is FREE to all teachers and so is this the workshop! We'll meet in the Champions For Learning computer lab so everyone can go live to the site. Seating is limited, so register early and bring a friend.*

**To register**, go to [www.wgcu.org/events](http://www.wgcu.org/events) and click on SPECIAL EVENTS.  
Questions? Call Paula Sklodowski at WGCU, 239.590.2510.

**Registration deadline – October 1**

Made possible with a grant from the Cadkin Family Foundation
