

Dear Mentors,

Due to popular demand, we are offering the below (optional) mentor/mentee Zoom video conferencing sessions every two weeks throughout this summer.

As a reminder, video chatting is permitted only if initiated through and supervised by our office. While we encourage you to keep in touch in other ways throughout the summer, these dates are the only opportunity to talk via video call. Though summer mentoring sessions don't "count" toward the required annual sessions – we are happy to create this opportunity for our mentors and mentees to stay in touch!

If you have never joined one of these sessions, once you join, you and your mentee will be assigned to a "breakout room" so you have a little time to connect 1-on-1. Staff have the ability to enter any of these rooms to say hello and check in with you and your mentee. While the session runs for a full hour, you may use as much, or as little, of that time as you wish to talk with your mentee.

If you and your mentee would like to join any/all of the above dates, simply have your mentee e-mail arivera@championsforlearning.org and cc you, so she knows that you are both confirmed. (All mentees will be receiving this e-mail, as well.) Please remind your mentees that it is their responsibility to organize and book these sessions. This is a good lesson in organization, and communication skills.

Thank you,
Tonya
